Dear Ms. Mathews:

In accordance with the April 27, 2000 instructions, Subject: Year 2000 Inventory of Commercial Activities, we are providing the management report which describes the process we used in 1999 and 2000. The Office of the Inspector General 1999 submission was based on input from each component using the full-time equivalents at that time. The reportable positions were based on an analysis performed for the President's Council on Integrity and Efficiency (PCIE). There were no administrative challenges and appeals to the 1999 submission.

The Year 2000 Inventory of Commercial Activities, submitted June 28, 2000, was based on the same procedures as the 1999 submission with the current full-time equivalents. The reportable positions were based on the analysis performed for the PCIE and were coordinated and reviewed by all components within the Office of the Inspector General. If you have any questions, please contact Mr. Wayne Berry at (703) 604-8789.

Sincerely,

A handwritten signature in dark ink, appearing to read "Donald Mancuso", is written over a large, stylized, handwritten "D" that spans across the signature line.

Donald Mancuso  
Acting Inspector General
